SUPPORTING the patients hailing from poor financial background for their medical treatment is one of the CSR activities of Adani UPCL.

Under this activity, company's joint president Kishore Alva distributed medical aid cheques worth Rs 10 lakh to nearly 40 villagers residing in Mudarangadi, Santuru, Uchila, Belapu, Yellur on Nov 28.

The medical assistance for Mudarangadi villagers were handed over to respective villagers on the premises of Mudarangadi Gram Panchayat in presence of David D'Souza, president of Mudarangadi Gram Panchayat, vice-president Jayanti Poojarthi and Panchayat Development officer Anil Kumar.

Applauding Adani UPCL's CSR activities, David D'Souza said there is requirement of a

super specialty hospital for the villagers and a stadium to promote sports in rural areas, for which Adani UPCL should consider its CSR activities.

The Panchayat has also passed a resolution and handed over the appeal to Kishore Alva. With this resolution, the Panchayat is ready to provide 5 acres of its land for construction of hospital and 6 acres of land for stadium, David informed.

Responding to the appeal, Alva said the request for construction

of super specialty hospital and stadium would soon be put before Adani Management for consideration.

He also said Adani is willing to construct a hospital and hand it over to the government. He opined that a committee comprising district minister, Local MLA, Panchayat presidents and PDOs needs to be formed to ensure smooth functioning of the hospital.

Alva appreciated the initiative of David D'Souza.
